Annual Report Calendar 2006

It is with great pride and accomplishment that as Town Collector I submit my **20th Annual Town Report** to the taxpayers of the Town of Monson.

The Town Collector is responsible for the billing and collection of all billed revenue due and owing to the Town of Monson, committed on warrant. The categories for collection include taxes, user fees, license fees, permits, violations, other departmental receivables and services. Massachusetts General Laws on Taxation, Chapters: *41, 44, 58, 59, 60, 60A* and *90* provide the manner through which the collector derives the authority to proceed to collect and enforce the collection of taxes and all miscellaneous revenue. The Collection index for calendar 2006 exceeds 97%. This percentage continues to reflect the aggressive, yet fair and efficient approach taken by this department to retrieve all possible revenue owed to the town. **[Detail of collections provided on the next three pages.]**

I would like to thank my office staff, Kathy Carr, *Certified Massachusetts Municipal Assistant Collector*, and Claire Forgues, *Clerical Assistant to the Collector*, for their patience, understanding, knowledge and commitment they provide to our taxpayers on a daily basis. To those town departments and committees, with whom I have had the pleasure of working with throughout this past year, I express my sincere appreciation and respect for your devotion to our town. ***"A place where most of us call home."***

Respectfully submitted,

Dorothy P. Jenkins, CMMC
